Kids Around the Square

Thank you to the ladies who volunteered this past Saturday for the Kids Around the Square event. Five of our ladies braved the cold and rainy weather to help promote POWER membership, and sign up children in our community for Imagination Library. We appreciate all of your support and the time you dedicate to the POWER.

Meet the New Advisory Chair Shelly Ginter

Hello ladies. It is with excitement and determination that I follow Cindy's lead. She has done an amazing job of getting POWER on the ground, up and running. We have completed 3 service projects, grown our original membership and provided hundreds of volunteer hours in Shelby County under her leadership. This women's initiative has just scratched the surface of things to come and we are going to make significant strides going forward. I personally want to thank Cindy for her service as the first POWER Chair, and for helping me realize where I can personally make a difference. I encourage every POWER member to reach out to another woman in Shelby County and share with them our mission - together we will achieve great things.
