## Match Day 2020

The Community Foundation of Shelby County is sponsoring another Match Day this year thanks to the amazing generosity of Dave Ross and the Community Foundation! POWER, the Shelby County United Way women's initiative group, has been given another amazing opportunity to participate in Match Day. POWER is challenged to generate gifts that will be matched up to \$5,000 by the Community Foundation match pool of \$90,000. Thanks to funds that were received from last year's Match Day, POWER was able to allocate 18 grants totaling \$21,500 this year to organizations that use the funds to fulfill POWER's mission of continuing to make a strong impact in the lives of children and families in Shelby County!
